“EXPERIENCED CARE TO PUT YOUR SLEEP PROBLEMS TO REST”

We are happy to announce Phase II is well under way! Georgetown Sleep Center is expanding from 6 to 12 beds to better serve you and your patients with continued quality care and expertise. Construction began in April and completion is expected in November 2009.

Thank you for trusting us with your patients as we strive to offer the very best in quality and comfort in sleep medicine, while surpassing all accreditation standards of the American Academy of Sleep Medicine.

Georgetown Sleep Center provides comprehensive diagnostic and treatment capabilities, staffed by the most experienced and nicest folks you will ever meet. Please visit our website to learn more about us. We are excited about the future and look forward to introducing new physicians and support staff that will be joining us.

Should you have a patient that needs more immediate evaluation, we will do everything we can to expedite their care.

Warmest regards,

Jim Curlee, DO, FCCP  
Diplomate, American Board of Sleep Medicine  
Medical Director  
Georgetown Sleep Center, P.A.
